Guidance relating to guests

Welcoming strangers and offering hospitality is a part of our Christian ethos, as is our intention to make residents feel that the Centre is their Home away from Home, so when deciding whether to have a guest stay with you in your room or in a guest room,

1. Please apply the same standards that you would apply at home in front of your family and friends,
2. Please be considerate of your neighbours at the Centre who come from many different cultural backgrounds.
3. Please ensure guests use appropriate toilet and shower facilities in an area designated for either their sex or for unisex usage.

Guest Policy

We welcome for a short stay the husband, wife or relative of a resident, or a visiting friend.

- If you live in a single room you may have one guest in your room; in a double room or family flat you may have two guests.
- Residents wanting to book accommodation for their guest(s) must complete a guest reservation form.
- Guest(s) may be accommodated in a separate room, or in the resident's room, depending on availability and suitability, or in the room of a friend already resident at the Centre (subject to that friend's agreement).
- Guest(s) are expected to keep the same rules as residents.
- Guest(s) may stay for up to ten days, which, subject to availability, may be extended up to 15 days.
- A charge will be made for guests' stay, according to the level of accommodation provided.
- Guest(s) younger than 18 years old will only be accepted once the host has met with a Director and outlined an appropriate and acceptable plan for child care and supervision.

We reserve the right to refuse accommodation to guests.
